

THE LISBON INTERNATIONAL & EUROPEAN TAX LAW SEMINARS

DESCRIPTION OF THE SEMINARS

The 2011-2012 Seminars on International and European Tax Law are organised by IDEFF and are part of the program for the development of research on International and European Tax Law (Ana Paula Dourado / José Almeida Fernandes/Gustavo Lopes Courinha).

The Seminars are aimed and structured at fostering the debate among academics and professionals on relevant and current issues of International & European taxation, while benefiting from the contribution of a renown international panel of lecturers addressing the topics and enhancing the depth of the debate.

LECTURERS

- The international panel of lecturers of the 2011-2012 Seminars includes the following distinguished academics and professionals: *Dr. Rita de La Feria (Univ. Oxford); Prof. Dr. Kees van Raad (ITC - Univ.
